School for Friends admits students of any race, color, religion, national and ethnic origin, gender or creed to all the rights, privileges, programs, and activities generally accorded or made available to students at the School. It does not discriminate on the basis of race, color, religion, national and ethnic origin, gender, sexual orientation, or creed in administration of its educational policies, admission policies, scholarship programs, and other school-administered programs.

Because of significant time and effort expended by the staff in processing applications and talking with parents of prospective students, we ask that this application be accompanied by a \$60 application fee.
